special verds, we can 't combine it with the adverb not again, we use the helping verbs do, does, or did - then combine do, does, or did with not Listen to some examples. V. 2 I do like ... I do not like ... I don't like ... 我不敬喜… 我不敬喜… 我不傲喜…

V. 2 I do like ...

Then with the negative adverb not:-V. 2 I do not like.

V. 1. And then with do not in the shortened form, and a change

V. 2 I don't like I don't like. 我不敢喜。 V. 1 Now some more examples: He likes...

V. 2 He does like, he does not like. he doesn't like. 他不敬喜… 他不敬喜。 V. 2 He did like... he did not like... he didn't like.

他不歡喜… V. I The went-V. 2 They did go. they did not go. they didn't go.

We can now make a rule about the tormation of the rogative and negative in English. The interrogative is made by changing the positions of the subject and the verd. But this verb must be one of the subject and the verb. But this verb must be one of the twenty—four special verbs.

V. 2 And if it is not one of these twenty—four special verbs?

V. 1 Then do, does, or did is used. The negative form is made by placing not with the verb. But this verb must be one of the twenty—four special verbs?

V. 2 And if it is not one of these twenty—four special verbs?

V. 2 And if it is not one of these twenty—four special verbs?

V. 2 And if it is not one of these twenty—four special verbs!
V. 1 Again, do, does or did is used. Let's have some mixed examples in complete sentences; Mr Smith ean speak French.
Interrogative?

V. 2 Can Mr. Smith speak Erench?

V. 1 Hy Green's rais Italian. Interrogative?

格迪先生講義國話的 o
V. 2 Ders Mr Green speak Italian?

格迪先生講義國話嗎?
V. 1 My brother has five children. Negative?

我的兄弟有五個兒子。

V. 2. He hasn't live children. 他沒有五個兒子 o V. 1 My bco her likes children. Negative? 我的兄弟歡喜孩子的 o V. 2 He does t like children

他不歡喜孩子的 o V. 1. Children ought to go to bed late. Negative? 孩子該夜睡的。

V. 2 Children oughtn't to go to bed late. 孩子不該夜睡的。 V. 1 Children like to stay up late. Interogative?

孩子被喜夜睡。 V. 2 Do children like to stay up latev? 孩子歡喜夜睡嗎? V. 1 Did you note those examples? In some of them do, does did were needed. In others a helping verb vas not needed. If you followed the explanations, you will have a clear of how the interrogative and negative are formed in English.
